

Edison's Latest Invention

the
DIAMOND DISC MACHINE

is not an ordinary talking machine. It actually re-creates music so perfectly that the leading music critics admit that they cannot distinguish an artist's voice or instrumental performance from Edison's Re-creation of it.

Come in and hear it.

Cabin for Red Mountain—

The forestry service has ordered a lookout cabin in the "knock-down" which will be taken to the top of Red mountain, near the Illinois river. This cabin is to be constructed by a Salem firm from plans made by the forestry department. A living room for the ranger in charge of the station will be built below, while a lookout station, fitted with telephone, fire-locating apparatus, etc., will be constructed above. It is expected that Chas. White, of the Illinois valley, will be in charge at Red mountain this summer.

Grading for Planing Mill—

Grading for the construction of the planing mill to be erected on the line of the new railroad in South Grants Pass by the Doe Lumber company is now in progress, and will be ready for the mill building within a few days. H. J. Savidge is in charge of the establishment here. Ground was first broken for the mill last week, but owing to inability to make arrangements for the lease or purchase of a 60-foot strip owned by Wm. Hotelling the site had to be shifted, and the mill will be built so that the side-track can be run to it without having to cross the piece in dispute.

WOODMEN COME FOR CONVENTION

The white badge bearing its inscription in green is seen on many a member of the great order of Woodmen of the World today, the advance-guard of the district convention to meet here tonight and tomorrow having already arrived upon the ground: At seven o'clock tonight will occur the parade of the Woodmen, and the lodge will hold a meeting in the evening. Tomorrow will be the real convention day, however, when 75 delegates with many visitors from the towns between Klamath Falls and Eugene will be here. A number of new members will be taken into the lodge during the district convention, and sessions of deepest interest to the members are expected.

MRS. GEO. SANDERS PASSED AWAY TODAY

Frances E., wife of George E. Sanders, died at Salt Lake City at 8:30 o'clock this morning, after having suffered for many months from a malignant cancer of the intestines. The funeral services will be held at Salt Lake City Thursday, at 11 o'clock in the forenoon, and during the period of the funeral all operations of the various concerns under the management of Mr. Sanders in this district will be closed, this period to be from 10 in the morning to one in the afternoon. Request has also been made that business houses of this city close during the half hour of the funeral, which will be from 10 to 10:30 here. Mrs. Sanders was aged 42 years, and had been a resident of Chicago before coming to Grants Pass a few years ago. She became afflicted with cancer about a year ago, and though every aid of science was called to her assistance, the inroads of the dread disease could not be stopped.
